Please note: A grade of “C” or better is required to satisfy the prerequisites of any Information Technology course. A grade of “C” or better is required in all Information Technology (ITS) courses in order to fulfill the requirements for the AS degree. The issuance of an AS degree requires that the student must earn a grade point average (GPA) of 2.0 or higher for all courses applicable toward the degree. Information Technology students considering transfer to a university should consult with their advisor about the specific applicability of Kapi’olani CC courses to their bachelor degree program. The AS information technology program articulates to University of Hawai’i-West Oahu toward the Bachelor of Applied Science in Information Technology degree.
