STAR for Students PowerPoint Outline

Title of PowerPoint: STAR for Students (online version)

Slide 1: **STAR for Students (online version)**
Business, Legal & Technology (BLT) Education Department

Slide 2: **What is STAR?**
STAR is an online degree audit that allows students to track their progress to program completion. Although a useful tool, STAR does not replace the advisor. STAR data is from official student information reports, therefore, the data is accurate and real-time.

Slide 3: **Major STAR features**
- degree/certificate course requirements with course(s) the student completed and currently enrolled in that meet the requirement(s) (*academic journey*)
- transcript information from all UH system institutions attended including transfer coursework (*transcripts/grades*)
- venue to create by semester, course schedules toward program completion (*academic planner*)
- student's coursework compared against another program at any UH system institution (*what if journey*); and
- help feature (*are you stuck?*)

Slide 4: **How to Access STAR**
- log into your MyUH Portal ([https://myuh.hawaii.edu/cp/home/displaylogin](https://myuh.hawaii.edu/cp/home/displaylogin))
  - click on left sidebar, "STAR Degree Check/View Transcript"
  - access is by UH username and password (same as your @hawaii.edu email username and password)

Slide 5: **STAR Tabs academic journey,**
- allows the student to see how completed courses apply to degree/curriculum
  - left column—Graduation Requirements Totals
  - middle column—general education requirements/program curriculum
  - right column (if related to student/major)
    - Courses Not Yet Classified
    - Non-Applicable Courses
    - Courses that are not OR do not transfer(ed) into Kapi`olani CC

Slide 6: **STAR Tabs transcripts/grades**
- unofficial transcripts for all UH institutions attended
- grades
- transfer credit evaluations based upon coursework from student's previous institutions

Slide 7: **STAR Tabs from your advisor**
- General Information
  - Advisor Notes
    - advisors can enter NOTES viewable to the student and other authorized "advisors"
    - student will receive an email notification from STAR, "You have new advising note(s) in STAR"
notification will inform the student as to how to view the advising NOTE
student cannot use NOTES to communicate with advisor

- Academic Journey Degree Information
  - department and semester of entry
  - program (major/concentrations(s))=fall semester of catalog year entered
- Educational Goals, goals the student entered in MyUH or during online registration

Slide 8: **STAR Tabs from your advisor (continued)**
- Events & Actions
  - Events—semester applied to college
  - Academic Actions—graduation, probation/suspension/dismissal
- Restrictions on Registration (Holds)
- Financial Aid

Slide 9: **STAR Tabs**
- academic plan, allows the student to create a plan of action by semester listing the courses required for degree completion based on the Academic Journey
- what if journey, allows the student to see how courses completed/in-progress (IP) apply to a different catalog year, program, or another program offered at another UH institution. Courses go through the UH system articulation database before populating the "other" Academic Journey
- are you stuck?, allows the student to email the STAR team question(s)/concerns and will receive a reply in UH webmail account
