The issuance of an AS degree requires that the student must earn a cumulative grade point average (GPA) of 2.0 or higher for all courses applicable toward the degree. Students who are considering transferring to a university should consult with their advisor about the specific applicability of Kapi`olani CC courses to their bachelor degree program. To receive the maximum number of transfer credits to Hawai`i Pacific University, it would be to the student's advantage to seek the Bachelor of Arts in Justice Administration degree program; however, this does not preclude students from changing their field of study at HPU.
